Profile

Marketing professional with an MSc in Sustainable Marketing and international experience. At nature-tech company Nabat, I combine B2B marketing (campaigns, ABM, SEO, web and visual design) with hands-on AI automation, building systems that take on agency-level work. Outside work: bouldering and sports.

Core Skills

Marketing
ABM campaigns, ICP segmentation, paid media, events, brand management, lead qualification, SEO/AI, graphic design.

AI & automation
LLM models (Projects, Skills, Design, code), agentic workflows, prompt design.

Tools
HubSpot, Figma, Google Analytics 4, MS Office (advanced Excel), WordPress, Adobe Creative Suite, DaVinci Resolve.

Languages

Finnish & English (Native), Swedish (Satisfactory), French (Basics)

Work Experience

NABAT · MARKETING INTERN · ABU DHABI · 2026

- Designed and **built an AI-run social media agency**: a skills-based brand knowledge base with **task-specific agents** and governance registers, bringing social media management in-house. **Automated monthly reporting** with agentic workflows.
- Redesigned company website: new site structure for clarity and SEO, and new visual assets showcasing the product. Ran a phased SEO implementation plan to grow organic traffic.
- Planned **multi-touchpoint campaigns** for ICPs: messaging and visuals across **social and paid channels**, plus **HubSpot campaigns and workflows** to grow lead engagement.
- Built ABM targeting across the GCC and Indonesia and briefed 10+ conferences. **Representative** at international sustainability, AI, and R&D **conferences**, capturing up to 100+ leads.
- Delivered company-wide rebrand rollout: built Office templates and themes and rebranded brand assets.

TAX ADMINISTRATION · SENIOR TAX CLERK · 2022, 2023, 2025

- Tax supervision of private customers and shareholders of limited liability companies: examination, correction and adjustment of tax returns.

KAIRA CLAN · MARKETING SPECIALIST · 2022–2023

- Social media coordinator, planning and execution of marketing campaigns, as well as other project-specific marketing tasks.
- Scouting innovative companies and solutions for the automotive industry in an Innovation Hub project and supporting in product concept development.

NORDEA · SERVICE ADVISOR · 2021

K-MARKET RAJAKYKLÄ · SALES PERSON · 2019–2021

ZEMEHO · COMMUNITY MANAGER · 2014

Education

UNIVERSITY OF OULU · Oulu Business School · 2019–2025

- Master of science in sustainable marketing (Spring 2025).
- Bachelor of business (Spring 2022).
- Finance, management, economics, accounting, and marketing. Minor in Computer science.

KEDGE BUSINESS SCHOOL · Marseille · 2021

- Marketing & communication and finance. Exchange host university.

Achievements

- Freelance SEO project for a local business in Oulu: site audit, Finnish keyword research and action plan.
- Free-time sports brand building: app and brand development.
- Board member, OBSE ry (2020–2021) as merchandise manager.
